

*Transforming the Lives of
Daughters of the King to
Women of Destiny & Purpose*

April 7th, 2020

Dear Sponsor

The 2020 Daughters of Zion-Woman of Destiny Transformational Wellness & Mentorship Program will commence June 1st, 2020 and will culminate with the yearly Commemorative High Tea party Saturday December 5th, 2020. We hope that you would be one of our Sponsors for this noteworthy Mentorship program and event.

Daughters of Zion-Woman of Destiny Transformational Wellness Mentorship Program is a 501 C3, Non-Profit Corporation, in the South Florida area. It is a Six (6) Month Training, motivational and developmental mentorship program that teaches ethics, core values and social skills. The program focuses on the internal and external developmental principles with a focus on wellness, character development, social graces, etiquette, deportment, communication skills, leadership skills, financial literacy, nutrition, physical fitness, intimate counseling, coaching and mentoring

Our Mission is to help transform young ladies into powerful creative Women of Destiny focusing on the "whole woman...body, soul and spirit." The emphasis is taken from Titus 2, where the older women are encouraged to train the younger women on how to be women of noble character and grace. We are teaching ladies how to become Women of Excellence wherever they are called to function. Most are in preparation for marriage, community outreach, ministry, the arts and business opportunities in the marketplace.

Upon completion of the program there will be a First-Class High Tea Party, which will serve as a Commemorative graduation ceremony for the Mentees who are prominently showcased throughout the program, in poetic, singing, music, dance and other creative presentations.

Since 2015 DOZ-WOD has successfully completed five programs with over One Hundred (100) graduates with qualified Mentors from various professional backgrounds. Many of our graduates have gone on to launch their own businesses, authored books, produced recordings, started a family or committed to a worthwhile community outreach organization.

*Transforming the Lives of
Daughters of the King to
Women of Destiny & Purpose*

As DOZ-WOD is a non-profit organization, we are relying on the assistance of organizations such as yours to assist us in our efforts to enhance and transform the lives of ladies that may not have had the occasion to be trained or groomed due to broken homes, unforeseen circumstances, lack of funds or opportunities. Your sponsorship in the form of funds or products will assist us in our efforts to create and produce a First-Class Mentorship Program and High Tea Party graduation event. This will ensure to have a tremendous impact on each Mentee, their family, their careers and the community at large. Enclosed is a sponsorship form for your review and consideration as well as more detailed information about the DOZ-WOD Program

We look forward to hearing from you to discuss the possibility of welcoming you as one of our sponsors.

Thank you in advance for your consideration.

Sincerely,

Mrs. Darlene C Davis-Hord
